MEMORANDUM FOR THE RECORD

SUBJECT: Polygraph Legislation: H.R. 1524 and 1924
Conversation with NSA

1. On 10 September 1985, I was called by [redacted] NSA. She called to inquire about H.R. 1524, a bill which would prohibit use of the polygraph in private industry. This bill, along with a similar bill, H.R. 1924, is to be marked up on 18 September 1985 by the House Education and Labor Committee.

STAT

2. [redacted] initial view of both bills was that they adequately protected the Intelligence Community's concerns in this area. An individual in her office had, however, raised a concern about the efficacy of the governmental exception in H.R. 1524.

STAT

2. I provided [redacted] with our initial views of the bills as follows:
